Transaction ID :

Report is amended to revise the transaction information on for receipts and expenditures. Since the Post-General Report ends before the month's end, certain estimates for receipt and expenditures were made. The estimates for both the receipts and expenditures were over-estimated on the original report. The Post-General Report is amended to update the transactions totals according to the finalized accounting information and data. Schedule A for receipts reflects a decrease in total receipts of \$7676. The original report included an estimate for an automatic payment to the vendor, American Liberty Group, expected to post on 11/27. The amended report removes the estimate instead of updating the transaction, and reports the transactions on the Year End Report based on the date the fees in fact posted, and the confirmed totals for the fees. Consequently, the total reported on Schedule B has decreased by \$5850. As a result of these changes, the net change to the cash on hand is decrease of \$1826.
